

A playground for the wealthy people **SANDHAMN**

Sandhamn
1945

Sandhamn

While the settlement only has a hundred permanent inhabitants, the number of residents increases to 2-3,000 during the summer. Sandhamn receives an additional 100,000 visitors annually. The harbor can receive 350 ships, while up to 150 boats can be moored on the neighboring island Lökholmen. The island of Sandön is first mentioned in historical records in the 1280s
